Ref. Self Certification of Mandatory Training EPA Order 3500.1

Dear Mr. Torres:

I certify, in the absence of actual written training certificates, that I was trained and obtained the necessary required knowledge to perform CERCLA actions in congruence with the requirements established in EPA's Order 3500.1.

Although, some of the actual Certificates were not found due to the time when they were issued, other documentation is currently submitted that was part of my training record.

The following have alternate evidence of required training:

1. Record (ERRD in house database) showing 40 hours H&S training in Sept. 25, 1987.
2. Record (ERRD in house database) showing Fundamentals of Superfund training in July 31, 1987.
3. Record (ERRD in house database) showing Enforcement Process training in May 8, 1989.
4. Record (ERRD in house database) showing OSC/RPM remedial/removal Process training in April 29, 1988.

Inspector Certification:

I, Angel C. Rodriguez, certify that I have completed the mandatory training requirements identified in EPA Order 3500.1:
